iZOTRON Launches Quattro X7 Tablet PC With Power Packed Features - 3G Calling, Quad Core CPU and IPS Screen

Share with Twitter Share with LinkedIn

NEW DELHI, October 7, 2015 /PRNewswire/ --

iZOTRON, one of the emerging electronic brand in India, launches Quattro X7 3G Calling Tablet PC, a stunning device for a wonderful gaming experience and multi-tasking, at highly competitive price. As of now, it will be exclusively available in **Silver** and **Gold** color on **Snapdeal** and iZOTRON's own **online store** with a limited time offer. Later, it may get available on other online stores and marketplaces across India.

The Android 4.4 KitKat-based Quattro X7 sports 7" IPS Screen and is powered by a Cortex A7 Quad Core Processor clocked at 1.2GHz coupled with Mali-400 MP2 GPU and 1GB of RAM. The Tablet packs 8GB of in-built storage which can be expanded further via microSD card (up to 32GB).

Sporting front 0.3-megapixel and 2.0-megapixel rear cameras, the Quattro X7 also features LED flash module for rear camera. Thus, lets its users to capture great selfies and unforgettable moments on the go.

Equipped dual sim card slots, Quattro X7 offers the luxury to make calls over the 2G networks and internet browsing over 3G & 2G networks.

Loaded with latest Bluetooth 4.0 Technology, Quattro X7 transmits data at considerably faster rates in comparison to the devices based on older technology.

Other connectivity options on the tablet include GPRS/ EDGE, GPS/ A-GPS, FM Radio, Wi-Fi, Micro-USB, 2G & 3G. It packs a 3000mAh battery to provide uninterrupted battery backup; measures 188x108x12mm and weighs less than 300 grams.

About the Launch

Commenting on the launch, it's been highlighted by the Director of iZOTRON, Varun Goyal that Quattro X7 is the first 3G Calling Tablet which has been launched by Nookstore Overseas Private Limited at an amazing price of Rs. 4999. This product is believed to have best in class features within the price range it's been offered at. With the launch of this product, team of iZOTRON aims to provide their consumers cutting edge technology with power packed features to meet all their computing requirements.

Future Plans

In the coming future, iZOTRON is planning to expand its portfolio with more 3G & 4G calling tablets. Along with this, iZOTRON will also add smartphones with wearable gadgets to maximize its reach within the market.

About iZOTRON:

iZOTRON is the finest smart electronic devices brand that, since its commencement, has launched a successful range of technologically grand products in India. The brand has ever since become a strong competitor in the mid to high-end electronic products segments. iZOTRON aspires to provide finest quality of smartphones and tablets with fresh design, latest platforms and new technologies which will take performance and customer experience to the next level.
